Re: **Aaron D. Forman v. Catherine E. Youngman**
Appeal No. 3:13-cv-05877 (PGS)
Hovie Forman
Case No. 07-27514(RG) Adversary Pro. No. 08-01082 (RG)

Dear Judge Sheridan:

I represent Catherine E. Youngman, the chapter 7 trustee for Hovie E. Forman and the appellee in the above-referenced appeal. Although just docketed today, the trustee was emailed with what is believed to be the docketed version of Aaron Forman's appellant brief on November 19, 2013.¹ In light of the thirty-day extension granted to Aaron Forman to file his appellant brief,² as well as the upcoming Thanksgiving holiday, it is respectfully requested that the trustee be granted an extension of two (2) weeks to file her appellee brief, such that if Aaron Forman's email service on November 19, 2013 is presumed a valid method of service, the Trustee's brief would be due on December 17, 2013.

Respectfully submitted,

Michael R. Herz

¹ Aaron Forman also emailed the trustee a copy of his brief on November 18, 2013, but based on Aaron Forman's cover letter attached to his docketed brief, it is unclear if the November 18, 2013 email contained a draft or final version of his brief.

² Aaron Forman requested the extension on October 18, 2013, the day after his brief was due.
